I just now did a search & found the forms to fill out to send to Patrick Rogers:

<http://8net.epa.gov/pages/tribal-consultation>

I will get started filling out those forms!

Wanted to check in with you before I responded to Scott's suggestion. Do you know if our previous opportunities to consult were on this site? This does seem like another way to get information out in front of the tribe.

Thanks  
D

Hi Darcy,

Thanks for your time yesterday with the RTOC. I looked at the EPA Tribal Consultation Opportunities website and did not see it on there. That would be a great way for the tribes to get their opportunity to participate and get all the pertinent info about the UIC permit.

Thanks,  
Scott
